*** One of McConnachie's MOST Affordable Modern Detached Two-Storeys Has Hit The Market *** Step into this STUNNING showstopper and you'll instantly be greeted w/bright natural light, tall ceilings, and a stunning open concept layout. An incredible granite WATERFALL countertop in the GOURMET kitchen takes center stage! Perfect for hosting (and impressing!) family/friends w/ plenty of space for everyone to gather. Main floor also has a convenient 2pc bath. Upstairs is a well-designed 3 bed +2 full bath layout. The primary bedroom is thoughtfully placed opposite the other rooms and boasts private ensuite & walk-in closet. No sharing! Fantastic value is found downstairs in the rec space. Natural light abounds from the UNIQUE open-to-above feature. Enjoy this space as it is, or customize further (rough-ins for a wetbar and bathroom already in place). "But there's no garage!" Well, Dear Buyer, that is why the price is far below what similar homes with garages are currently being offered at. Welcome Home!
